

Job Safety Analysis Index

No.	Title	Remarks
1	Air Blowing Test	
2	Air Flushing	
3	Asphalt Works (Road Work)	
4	Backfilling Work	
5	Bolt Tightening, Torquing	
6	Cable Pulling, Installation and Banding	
7	Coring on Existing Drainage Sump.	
8	Electrical Insptallations	
9	Electrical Testing	
10	Excavation Work	
11	Fire Proofing by Spraying	
12	Gas Cutting	
13	Grating Installation	
14	Grinding	
15	Grit Blasting	
16	HDPE Installation	
17	HVAC Duct Installation & Insulation	
18	Hydrotesting	
19	Instrument Installation	
20	Insulation work for Piping & Equipment	
21	Leak Test of Pipes	
22	Maintenance Work on Plant	
23	Manual Handling	
24	Masonry and Plastering Work	
25	Moving Around Platform	
26	Nitrogen Testing	
27	Operating Bench Type Profile Cutters	
28	Operating Cranes (Pedestal or Tower)	
29	Operating Forklift Trucks	
30	Operating Mobile Cranes	
31	Operating Mobile Plant and Machinery	
32	Operating Over Head Cranes	
33	Operating Pipe Cutting	
34	Operating Pneumatic Hand Tools	
35	Operating the Rotational Machinery	
36	Piping Installation	
37	Piping, Equipment Installation	
38	Pneumatic Testing	
39	Pouring Concrete	
40	Radiography	
41	Removal of Floor Gratings	
42	Rigging	
43	Spray Painting	
44	Steel Structure Election	
45	Testing of Batteries Charger	
46	Tie-in with Existing Substances	
47	Tower Crane Erection & Dismantling	
48	Use of Manbasket with Crane	
49	Welding Materials	
50	Working at Heights	
51	Working in Adverse Environmental Conditions	
52	Working in Confined Space	
53	Working in Habitants	
54	Working on Mobile Scaffolds	
55	Working on Scaffolding	
56	Working with Corrosive Substances	
57	Working with Electrical Equipment	
58	Working with Flammable Substances	
59	Working with Hazadous Toxic Materials	
60	Working with Ladders
